Trying to access EPA web to send it but the system isn't being very responsive. Also Martin and Sandy wanted to see it again so need to send it to them for another round of review. Will send it by tomorrow am. Best I can do if the system lets me in. Libby

Hi all,

Do any of you have a read ahead for the meeting with Shaun next week – 7/14? Betsy is looking for one and I think Libby is now in training so won't be able to reply today.

Or let me know if someone else might have it.

Thanks!
